Br Nath Pai

(25 September 1922- 18 January 1971)

Patriot | Visionary | Man of the People

“ A fearless freedom fighter, nationalist and socialist, Barrister Nath Pai made a mark on Indian politics and on foreign soil with his intellect, mesmerising oratory and indefatigable hard work. He was acclaimed for his integrity, studiously researched debates and his deep connect with the people of his land. Born in Vengurla, Nath Pai represented Rajapur (Ratnagiri-Sindhudurg) in Parliament for three terms between 1957 and 1971 and is acknowledged as the man who laid the ground for the Konkan Railway. ”

Shri Narendra Modi

The Prime Minister

addressed the 60th National Conference of the Indian Association of Physiotherapists (IAP) in Ahmedabad via a video message.

“You are symbol of hope, resilience and recovery” “Your professionalism inspires me” “Spirit of supporting the needy and consistency, continuity and conviction pervade the governance also” “Physiotherapists received a much-awaited recognition as a profession as the government brought the National Commission for Allied and Healthcare Professionals Bill” “Educate people about Right Posture, Right Habits, Right Exercises” “When the expertise of yoga is combined with that of a physiotherapist, its power increases manifold” “Video consultation by physiotherapists can be useful in situations like Turkiye earthquake” “I have full faith that India will be fit as well as a super hit”

INTRODUCTION

WHAT IS PHYSIOTHERAPY ?

Physiotherapy or Physical Therapy (P.T.) is a Movement Science with an established theoretical and scientific base and widespread clinical applications in the Prevention, Restoration & Rehabilitation, maintenance and Promotion of optimal physical function. Physiotherapists diagnose & manage movement dysfunction by enhancing physical and functional abilities. This physical dysfunction may be the sequel of involvement of any of the systems like Musculoskeletal, Neurological, Cardiovascular, Respiratory or other body systems. These practitioners contribute to society as well as to the profession through Examination, Diagnosis, Prognosis, Practice, Teaching & Administration.

Physiotherapy is a rehabilitation profession with a presence in all health care delivery streams like hospitals, long-term care facilities, home care, community-based clinics, schools, private practice clinics and primary care networks.
